

Mr. Arkapravo Roy

4th year BS-MS student

Supervisor: Prof. Swadhin Kumar Mandal

Research Interest: Transition metal free catalysis using main group compounds

Email: ar22ms008@iiserkol.ac.in

A brief overview about myself:

I joined Prof. Mandal's lab in my 3rd year of BS-MS program. I completed my secondary and higher secondary schooling from South Point High School, Kolkata. Currently, I am working on transition metal free catalysis using reactive main group compounds. I have expertise in organic synthesis and catalysis and well- experienced in performing catalytic reactions under inert conditions.
