A brief overview about myself:

I was born and raised in Alipurduar, West Bengal. I obtained my Bachelor in Science degree in Chemistry from Alipurduar college (University North Bengal) in 2020 and my Masters in Science in Chemistry is from Visva-Bharati Central University in 2022. After clearing Joint CSIR-UGC NET JUNE-2024 currently I am working with Prof. Mandal's group in IISER Kolkata since January 2024. My research interests are mainly focused on the development of new and sustainable transition metal free catalytic methods for small molecule activation.
