

**Mr. Subhajit Chakraborty**

**Integrated BS-MS Student**

**Supervisor- Prof. Swadhin Kumar Mandal**

**Research Interest- *Transition metal-free polymerisation using greenhouse gas.***

**Emails- [sc20ms062@iiserkol.ac.in](mailto:sc20ms062@iiserkol.ac.in)**

***A brief overview about myself:***

I joined Prof. Mandal's lab in August, 2022 during my BS 3<sup>rd</sup> year. I am currently a final year BS-MS student. I am working on the development of transition metal free greenhouse gas activation and their fixation to make polymers. I am passionate about synthetic inorganic chemistry and in my free time I like to read, play football and nurture my passion for music.
